

Mint of the United States at Philadelphia, Pa.,

SUPERINTENDENT'S OFFICE.

Aug. 18, 1885.

Sir:

The total of deliveries of Standard Silver dollars for the fourteen (14) working days in August, current, inclusive of this day, is \$1,082,000.

The daily average is therefore about \$77,000.

Two working days remain. The balance of the quota is \$18,000.

It will require a daily average delivery of, say, \$60,000 to meet the requirement.

Very Respectfully

Wm. D. M. Fox, }
Superintendent }

Wm. H. Cobb
Clerk

RG104 E-1 Box 135

August 18, 1885

Hon. D. M. Fox,
Superintendent

Sir:

The total of deliveries of Standard Silver Dollars for the fourteen (14) working days in August, current, inclusive of this day, is \$1,082,000.

The daily average is therefore about \$77,000.

Twelve working days remain. The balance of the quota is \$718,000.

It will require a daily average delivery of, say, \$60,000 to meet the requisition.

Cobb, Cashier
